# Read through the Bible in one year

How is your chance to take a trip through the Bible. This Bible reading outline offers some very special features.

1 This Bible reading tour lets you see for yourself the unity of God's Word. The Bible was written over a period of about 3500 years by more than thirty three different authors. God directed His scribes in such a way that every piece of scripture is in complete harmony with the whole.

2 Here is another very nice feature of this Bible reading plan. You do not have to wait for any special date to start reading through your Bible. You can start your reading experience any time you want.

3 Notice that each month has only Twenty Five days allotted for reading the Bible. That gives you about five or six days of "grace" each month, save February. If you miss a few days each month, you still won't fall behind. Should you be on schedule then use those extra days to review the passages that intrigued you.

4 Let God's Word transform your mind. -- "Don't be like the people of this world, but let God change (transform) the way you think. Then you will know how to do everything that is good and pleasing to Him." (Rom.12:2 CEV)

5 All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the man of God may be thoroughly equipped for every good work." (2 Tim. 3:16-17 NIV)
